SOFTWARE LICENSE AGREEMENT (EVALUATION USE)

Permission to use the Software is conditional upon you, the Licensee, agreeing to the terms and conditions set out below by paying the License Fee to NewSouth Innovations Pty Ltd (**NSi**). Do not purchase, install or use the Software until you have read and accepted all the terms of this Agreement and agree to become a licensee of the Software.

YOUR PURCHASE AND/OR USE OF THE SOFTWARE IS DEEMED TO BE YOUR ACCEPTANCE OF THE FOLLOWING TERMS. ONCE YOU HAVE MADE PAYMENT FOR OR INSTALLED OR USED THE SOFTWARE, YOU ARE BOUND BY THESE TERMS.

You agree that the following terms constitute the COMPLETE and EXCLUSIVE statement of agreement between you and NSi with respect to the Software and SUPERSEDES all proposals and prior agreements, oral or written, and any other communications between us relating to the Software.

The Parties agree as follows:

1. DEFINITIONS

Agreement means this licence agreement.

Application means compiled code generated using the Software source code, derived from the Software source code, or any part thereof. No part of an Application is Reusable Code.

Commencement Date means the date of delivery of the Software to the Licensee.

Deployment mean distribution of one or more Applications to a Third Party. Deploy shall be similarly construed.

Details means the details as completed and set out in the online or fax Order Form.

License Fee means the license fee specified by NSi in the Details.

NewSouth Innovations Pty Ltd or NSi means NewSouth Innovations Pty Ltd ABN 25 000 263 025, of Rupert Myers Building, Gate 14, Barker Street, UNSW, New South Wales, 2052.

Order Form means the online or faxed order form accompanying and forming part of this Agreement.

Reusable Code means the original Software source code as distributed with this license, with or without modifications and exclusions. Reusable code also includes any intermediate compiled form, such as dynamically or statically linked libraries, which allow

the functionality of the Software source code to be reproduced in a variety of Applications.

Software means the software known as KAKADU Software version 6 being a comprehensive, heavily optimized, fully compliant software toolkit for JPEG2000 developers and related electronic documentation provided to the Licensee at the Commencement Date of this Agreement, together with any improvements or enhancements, if any, made available by NSi to the Licensee from time to time.

Taxes means any applicable taxes, duties, imposts and other similar charges.

Third Party means any person or legal entity which is not NSi or the Licensee.

2. NSi grants to the Licensee a licence to install and use the Software for evaluation purposes at the Licensee's premises to develop Applications for internal research and development only. The Licensee's exercise of its rights under this clause shall be limited to one of the Licensee's employees (or contractors) where a single-user Licence Fee has been paid to NSi.
3. The Licensee must not either during or after the term of this Agreement, Deploy or use in conducting its business, Applications which are developed or otherwise enabled by use of the Software. In the event that Licensee wishes to be granted such rights, the Licensee and NSi will negotiate in good faith the terms of a licence for commercial use of the Software on terms consistent with NSi's standard licence.
4. All copies of Applications shall contain notification that they were developed using the Software.
5. The Licensee must pay the Licence Fee to NSi, prior to the deliver of the Software. NSi will, on request by the Licensee provide appropriate Tax invoices to the Licensee.
6. The Licence Fee and other amounts payable by the Licensee under this Agreement are exclusive of Taxes. Absent appropriate exemption certificate(s), Licensee shall pay all Taxes.
7. Within 2 business days of receipt of the Licence Fee , NSi will deliver the Software to the Licensee by electronic file transfer.
8. Subject to payment of the Licence Fee as set out in clause 5, the Licensee shall have the right to use the Software for a period of one (1) year from the Commencement Date subject to earlier termination under clause 10.
9. The Licensee must hold and ensure that its employees and permitted contractors hold, the Software and Reusable Code in strict confidence at all times and not use the Software and Reusable Code or permit it to be used, except in accordance with this Agreement.
10. NSi may terminate this Agreement and licence, by written notice to Licensee if Licensee materially breaches any term of this Agreement.
11. Upon termination of this Agreement, the Licensee shall cease all use of the Software and Applications and destroy all copies of the Software and any Reusable Code forming part of an Application.
12. Licensee shall not use the name, trade names or trade marks of NSi or the University of New South Wales or any of their affiliates in any advertising, promotional literature or any other material, whether in written, electronic, or other

form, distributed to any third party, except in the form provided by NSi, and then solely for purposes of identifying NSi software.
